Vice-Principal: Mr. Reynolds

Secretaries: Mrs. Serabian, Mrs. Ilksens

Superintendent: Mr. Dickson

## January 2018

### A MESSAGE FROM THE OFFICE...

December was an exciting month in our school with many activities going on. McKay continues to be a school that thinks locally and globally with a 'pay it forward' mentality. Thanks to our dedicated staff members and your generosity, our students participated in school initiatives that sponsored families and charities. Our students have demonstrated caring and empathy consistently over the past few months with rich experiences both inside and outside of the classroom. We are so proud of our students, as they continue to represent McKay School so well in the community.

It was so wonderful to see so many of our families at all of our events supporting the students last month (i.e., family skate and concert performances). Special activities are successful because of the leadership of staff, support from our parents, as well as the dedication of our students.

Thank you!

Additionally, we sincerely appreciate all of the volunteers in our building. We are very fortunate to have helpers that assist with reading programs, provide support in the classrooms, run our breakfast club, and drive to special events. These volunteers include our dedicated School Advisory Council members. Their efforts ensure that our students continue to be well supported and that our school runs successful fundraisers, like our Holiday Bazaar.

On behalf of the McKay staff, we wish you all a wonderful and Happy New Year! As a staff, we feel honoured to be part of the students' lives and appreciate your ongoing support. All the best for 2018!

### Staff Changes

At this time, we would like officially announce a few staff changes that have occurred.

**Departures:** After many successful years with the DSBN, Mrs. Ferland has decided to retire from her position as an educational assistant. We will certainly miss her kind-hearted spirit and we wish her the best of health and happiness during her retirement.

We will also miss Mrs. Weaver (DECE). She has decided to return to school and we wish her the best of luck with her future career. In her quiet way, she always ensured that the students felt safe, supported and appropriately challenged. Best wishes!

**Welcome:** We would like to extend a warm welcome to Mrs. Kraliz (DECE), Mrs. Brousseau (EA) and Mrs. Ilksens (Secretary). We certainly hope that they enjoy their time at McKay! We also welcome back Mme Armstrong, she will continue to teach the Core French programme to our junior students. We are really looking forward to a wonderful 2018!

## French Immersion

The French Immersion program (offered at McKay Public School) is open to all students in Senior Kindergarten. If you want your child to develop high proficiency and fluency in Canada's two official languages, French Immersion has a great deal to offer.

Features of the French Immersion program:

- Develops French language skills in speaking, listening, reading and writing from Grades one to twelve;
- Designed to be a second-language program for children whose first language is **NOT** French;
- Current enrolment of over 2,000 elementary students;
- Certificate of French Immersion Studies awarded upon successful completion of the elementary and secondary immersion programs;
- Promotes understanding of different cultures;
- Provides additional opportunities for employment using French as the working language;
- Increases the ability to communicate and interact with confidence in French.

**Registration will open January 8<sup>th</sup>, 2018**  
**Closes: Feb. 20, 2018 at 9:00 AM**

For more information about French Immersion in the District School Board of Niagara visit [www.dsbni.org/fi](http://www.dsbni.org/fi) or speak to Mrs. Lott or Mr. Reynolds.

Students in the French Immersion program take the same subjects as the students in the English program. The students will study the French language and other subjects such as Science, Social Studies and possibly the Arts and Physical Education in French.

Designated school pathways have been developed to ensure that students have a continuation of program from their entry level to the end of Grade 12.

Please note, all students attending Elementary French Immersion schools will be bused if they live 1.6 km or further from the home French Immersion boundary school. Students accepted into the program can access transportation information by mid-August at [www.nsts.ca](http://www.nsts.ca). For more information please call Niagara Student Transportation Services at 905-346-0290.

## A Parent Information evening will be held on January 23 at 6:00 PM at DeWitt Carter Public School.

### Is DSBN Academy a good fit for your child?

DSBN Academy is a Grade 6 to Grade 12 public school designed to support and empower students to be the first in their family to graduate from college or university.

The faculty and student body are committed to excellence and the belief that, with hard work, they can achieve their dreams. Come learn how our unique program prepares students to succeed at college and university and how your child can benefit from the opportunities offered at DSBN Academy. All families are invited to attend a parent information session in your community. Please see below for dates, times and locations.

<b><u>Parent Information Sessions</u></b>	<b>Date</b>	<b>Time</b>
Diamond Trail, Welland	January 16, 2018	6:30 - 7:30pm
<b>DeWitt Carter, Port Colborne</b>	<b>January 23, 2018</b>	<b>6:30 - 7:30pm</b>
Peace Bridge, Fort Erie	January 30, 2018	6:30 - 7:30pm
Open House at DSBN Academy	February 6, 2018	6:30 - 8:00pm

### **Admission Requirements**

DSBN Academy recruits and enrolls students from all 13 municipalities within the Niagara Region. Eligible applicants must meet the following requirements, both at the time of application as well as at enrollment:

- Student must be entering Grades 6, 7 or 8 in September.
- Student would be the first in their family to graduate from a college or university program. If a sibling of the student has attended a post-secondary institution but the parent(s)/guardian(s) have not, the student is still considered a First Generation Student.
- Student must be achieving current grade level expectations or just below.
- Student has demonstrated the potential for achieving "good" or "excellent" learning skills, particularly initiative, independent work and responsibility.
- Student must be willing to attend a school location that may be out of his/her community.
- Student understands that there is a mandatory after-school program which includes enrichment opportunities and academic supports.
- Families must understand that it is a single track pathway beginning in grade 9 (Academic Level Only).
- Families understand that there is a parent engagement requirement of 15 hours each year.
- Applicants must submit a completed application by February 6, 2017.

Please have your order form returned to your school's Pink T-Shirt Organizer by **Wednesday, January 24<sup>th</sup>, 2018.**

All T-shirts will be delivered directly to your school on **Tuesday, February 20<sup>th</sup>, 2018.**

**Name:** \_\_\_\_\_

**School:** \_\_\_\_\_

Item	Size							Quantity	Cost	Total
	XS	S	M	L	XL	XXL	XXXL			
Youth T-Shirt									\$8.00	
Adult T-Shirt									\$8.00 Adult XXL & XXXL add \$1.00	

\*\* Adult shirts will be pink with a white imprint  
 \*\* Youth shirts will be pink with a white imprint

**Please use School Cash Online to order. Hard copies are available in the office by request only.**

## **From our school nurse...**

Anyone can get head lice. Check for head lice weekly as part of your regular routine. The best way to avoid the spread of lice is by avoiding head-to-head contact. Remind your children not to share combs, brushes, hats, scarves or anything used on the head.

### **Checking for lice**

- Use a bright light (a magnifying glass may help)
- Part hair in small sections and look near the scalp
- Head lice are tiny grey/brown insects that live only on the scalp of humans. They crawl quickly but cannot fly or jump. Adult female lice glue eggs on the hair shaft close to the scalp.

### **If you find lice**

- Check all the people that live in your house
- Treat all cases at the same time to stop the spread of lice
- Inform the school and/or daycare so classmates can be checked
- Tell anyone in close contact with your child (family members, friends, baby-sitters)

### **Getting rid of lice**

Treatment products are to be used only on those who have head lice, as they do not prevent lice. Talk to a health professional about products and methods available. Follow instructions carefully. The Wet Combing Method helps find and remove head lice by combing through hair soaked with conditioner, using a fine-toothed comb. For more information on Wet Combing Method or on lice visit:

[www.niagararegion.ca/health](http://www.niagararegion.ca/health) search lice or

call the Parent Talk Line at 905-688-8248 or 1-888-505-6074 ext. 7555

### **Also from our school nurse...**

Children need 60 minutes a day of physical activity. Keep your children active through winter by getting outside. Try skating, hiking, building a snowman or go tobogganing. Check out Participaction for great winter games ideas:

<http://www.participaction.com/get-moving/bring-back-winter-play/>

*Reminder: January 19<sup>th</sup>, 2018 is a PD Day*

## Cold Weather Alerts at DSBN

Winter is a time of wonder for many children; many enjoy the crisp air, the freshly fallen snow and participating in a whole host of exciting winter sports and activities.

Although we feel that it is important for students to spend some time outside each day exercising and socializing with peers, there are times when bitterly cold temperatures and other inclement weather conditions require that we keep children inside.

Because Niagara is such a large geographical area, and weather conditions may vary from one municipality to the next, the decision on whether or not to hold recess outdoors is made by the individual school principal. When making this decision, principals will often consult with neighbouring schools, talk with parents as they arrive in the morning, and if the decision to send children outside is made, we will equip yard duty staff with walkie-talkies so that they can communicate with the office to sound the bells to bring students in earlier.

The health and well-being of our students is a top priority at the District School Board of Niagara, and if it is determined that the weather conditions pose a risk to their safety, students will be kept indoors. Extreme cold weather alerts issued by the Niagara Region are often good indicators that students will stay inside, or the amount of ice on the tarmac prohibits safe play outside. The climber will be closed until the ground thaws.

Even when temperatures are not low enough to necessitate an indoor recess, it still may be quite cold outside so please ensure that your child has the appropriate winter gear.

### **Here are a few tips to help ensure that your child stays warm during the cold winter months:**

- \* Try to send children to school with plenty of layers, such as long underwear, sweatshirts, sweaters and pullovers. Layering their clothing will allow them to add or remove items depending on the weather.

- \* Students should have a warm winter coat that repels the snow, sleet and rain.

- \* Warm socks and boots will keep their feet warm and dry in the snow and slush.

- \* Hats are one of the most important parts of dressing warmly in the winter. A thick winter hat will keep students from losing too much of that essential body heat.

- \* Put on a good pair of mittens that are water-resistant as well. Gloves or mittens will keep kids' hands toasty warm and protect their skin from being damaged by the wind and chill.

- \* If you have any questions about our inclement weather procedures, please visit our website: [www.dsb.org](http://www.dsb.org), or contact the school.

## **AN IMPORTANT MESSAGE ABOUT INCLEMENT WEATHER PROCEDURES**

There may be times during the school year where inclement weather or other situations could cause transportation cancellations or school closures.

At times when student transportation has been cancelled and schools remain open, the decision of whether or not to have children in school on that day rests with the parent or guardian.

**Should you decide not to send your child to school in the event that transportation is cancelled but schools remain open, or if your child is ill or late, please ensure that you call your child's school to inform them of your child's absence.**

A key resource in any emergency is the DSBN Emergency Information form that you filled out at the beginning of the school year. Please let the school know of any changes in contact information or procedures you wish to be followed throughout the school year.

For secondary schools it may become necessary to cancel late buses. Notice will be provided via school announcements and on the websites and subscription features by 11:30 a.m.

Information about transportation cancellations and school closures will be available as soon as it is available through the following channels:

## Mornings at McKay

This is just a reminder to our families that supervision in the morning begins at 8:35 a.m. Students are asked to remain outside until the bell rings at 8:50 a.m., this is when all students will be permitted to enter the building. In the event that it is raining outside, the doors will be open for students to enter at 8:35a.m., at which time, they will go directly to their homeroom where there is supervision. Students that are going to the Breakfast Club may enter at 8:40 a.m., which is located in the Learning Commons.

## Breakfast Club Volunteers Needed...

We are currently looking for breakfast club volunteers. If you are interested, or know someone who is, please contact the office @ 905-834-4753

## Snow, Snow, Snow!

The snow has arrived! McKay School's rule is to leave it on the ground. Please reinforce this rule at home. For the safety of all students we ask students not to throw or kick snow.

We have a 1-2-3 policy. Each time a student throws or kicks snow, a letter goes home and the incidences are tracked. A warning and a letter will be sent home when the first incident occurs. The second incident will result in another letter and a loss of recess(es), and the third time will require further parental contact and an in-school time-out. Each situation is dealt with in a timely manner and mitigating factors will be considered. Using progressive discipline, formal suspension could result.

## Clean Your Hands

Cleaning your hands is the most effective way to prevent the spread of germs. Regular hand cleaning with soap and water, or an alcohol based hand sanitizer will reduce the risk of getting sick. Cleaning your hands should occur:

- Before preparing meals
- Before eating
- After using the washroom
- After coughing or sneezing
- After blowing your nose
- After playing with pets
- After playing outdoors

Use warm water and soap and lather and scrub for at least 15 seconds if your hands are visibly dirty. For more information, talk to your school nurse or go to [www.niagararegion.ca/health](http://www.niagararegion.ca/health).

# SAVE THE DATE FOR OUR KINDERGARTEN OPEN HOUSE

DURING YOUR VISIT YOU WILL:

See a  
Kindergarten  
classroom

Meet the  
Kindergarten  
Team

Register for  
school

Get a fun  
goodie bag  
with learning  
resources

KINDERGARTEN  
**KICKSTART**

Thursday, February 1, 2018  
10:00 a.m. to 6:00 p.m.

## Junior Boys Volleyball

The Junior Boys Volleyball team had a very successful season this year coming 2<sup>nd</sup> in league play and winning the championship in the playoff tournament. After winning the playoff tournament, the boys had the opportunity to play in the DSNB Volleyball tournament, playing against the top teams from the entire DSNB. The boys fought hard and did their best throughout season.

Thank you to all the boys for representing McKay with pride when at other schools and at the tournament. Dylan Gagnon, Landen Gravelle, Samuel Tonnie, Tristan Chevalier, Zachary King, Wyhler Visser, Ryely Kolasjai, Malcolm Poulain, Silas Smits-Talving, Brody Marton, Tytan Worrall, Haiden Melnyk, Dameyn Brixhe, and Keith Sutherland, Maddox Beney, Haiden Mathes and Jack Clarke-Louie.

~Mrs. Rodrigue

## Power House

We are thrilled to tell you about a new program at our school to support children at McKay in grades 5, 6 and 7 who have a special role in their home aiding a family member who needs some kind of assistance or supervision. The Powerhouse Project is offering a FREE program during our first break to help empower our caring students through social skill building and providing emotional support strategies. Students develop the inner strength necessary to better help the younger and older members of their families.

### **What is a Young Carer?**

A Young Carer is a child that has the potential and interest to help support their families in a caregiver role. It could be helping to supervise younger siblings or someone in the family who has a chronic illness, disability, mental health or health, language barrier or other reasons that may give them added responsibilities at home.

They will offer an 8-week program teaching self-esteem and life skills through social and recreational activities for interested students, starting January 22<sup>nd</sup>, 2018.
