## Summer Heat

The DSBN is offering a three week Primary Summer School program for students entering JK to Grade 3 in the fall. The Students are divided into two groups: Kindergarten Kick Start for JK and SK students and Funshine Kids for students in grades 1-3 (in September). The focus is on maintaining and improving literacy skills and expanding background knowledge. There is also a daily physical activity component. We also focus on experiential learning using a variety of hands-on activities with an emphasis on science exploration and trips to one of the outdoor education centres. A home reading component is also required.
